ēVolve™ ELLIPSE 36 GALLON

THE EVOLVE ESSENTIAL

The straight back and round edge of the evolve ellipse calls for creative groupings and successful sustainability. Paired together or apart, the Ellipse offers the eye a refreshing break with its curvy design and clean lines, all while maintaining admirable collection capacities. A cornerstone of the Evolve series, this container is destined to become a classic choice for smooth style.

FEATURES:

- Sophisticated elliptical oval design
- Unique shape maintains capacity
- Lightweight lid for easy maintenance
- Smooth edges for simple handling
- Compatible with all Evolve accessories
